REMARKS

Entry of the present amendment is requested.

Claims 4, 7, 13 and 19 have been rewritten in independent form, as originally filed, including all of the limitations of the base claim and any intervening claims. No new matter has been added. Pursuant to the Office Action of March 18, 2003, claims 4, 7, 13 and 19 do not include the amendments to independent claims 1, 9 and 16 filed by Applicant in the response dated March 31, 2003. In view of the prior notice of allowable subject matter, the present amendments are not believed to present new issues, such that entry is appropriate.

Pursuant to the indication of allowable subject matter in the Office Action dated March 18, 2003, claims 4, 7-8, 13 and 19 are now believed to be in condition for allowance.

In the event there are any remaining informalities, the courtesy of a telephone call to the undersigned attorney would be appreciated.

Respectfully submitted,

AARON L. MILLS ET AL.
